**Parties:**

I am David Stark, counsel for the Commission, and I will be handling this scheduling for a status conference regarding the procedural schedule for both 2022-93-E and 2022-97-E at this point and forward.

I have only seen responses from THREE parties related to this scheduling conference – ORS, DNR, and the Applicant. **I need all parties to affirmatively state when they are available on Thursday and Friday, or alternatively, state that the party does not wish to be involved in the status conference for scheduling purposes.** Failing to hear from all parties will mean that I cannot conduct a status conference and will have to conduct business differently to avoid an inadvertent Ex Parte communication – which I absolutely will not allow to happen.

So – let's get all those responses in, if we can.

-David Stark

**Subject:** [External] RE: Revised proposed consent schedule: Docket Nos. 2022-93-E & 2022-97-E

Mr Butler:

SCORS and the Applicants have received no objection from the Statutory Parties to my below April 4 email proposing the schedule.

Also, please note that, as part of the proposed schedule, SCORS and the Applicants now propose July 13 as the full hearing date, rather than the July 11 date stated in the recent Directive.

Please advise if this email may suffice for submission of the proposed consent schedule, or whether instead a formal Motion is required.

Thanks very much for your help-

Very best regards,

Weston
